CONTEMPORARY 5" ROSE &  
CONTEMPORARY CRYSTAL KNOB

Introducing a modern, timeless design with the new Baldwin Reserve Contemporary Crystal Knob. Clean, elegant, and smooth to the touch, the contemporary crystal knob will elevate any home. The brilliant clarity of the crystal further enhances the beauty of this knob.

Pair with our new, Contemporary 5" Rose for a bold, eye-catching statement. Taking a cue from the popular contemporary square rose, the contemporary 5-inch rose creates a similar, but elongated rectangular profile.

Configure both the contemporary crystal knob and contemporary 5" rose with your favorite styles within the Reserve portfolio. Both products are available in the Reserve contemporary finish offering.

The contemporary crystal knob (CCY) is available in half dummy, full dummy, passage, and privacy functions.

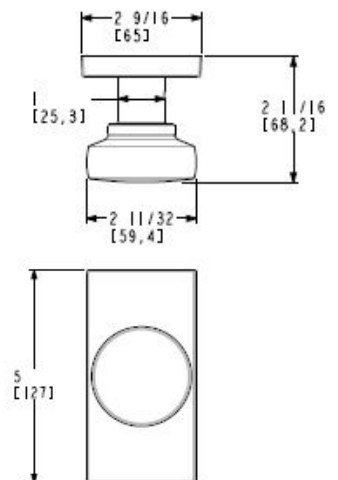

The contemporary 5-inch rose (CFR) is available in half dummy, full dummy, passage, privacy and entry functions. The 5-inch rose can also be paired with sectional handlesets. Please note there is a \$5 list price adder per contemporary 5-inch rose.
