

# BALDWIN<sup>®</sup>

engineered with  level

---

Intelligent technology,  
elegantly hidden within Baldwin's  
design.

---

## *LEVEL BRAINS. BALDWIN BEAUTY*

Baldwin's artistry in brass meets  
Level's hidden smart bolt  
innovation—beauty and  
intelligence, seamlessly united.

# BALDWIN®

engineered with  level

All the elegance of a classic Baldwin deadbolt, with none of the bulky electronics. No visible battery packs. No compromise in design. Only timeless beauty and cutting-edge innovation working seamlessly together.

## CONVENIENCE

Unlock with your Baldwin key, your smartphone, or optional wireless keypad.

## SMART ACCESS

Share digital keys, track activity, & control your door from anywhere through the Level App.

## CONNECTIVITY

Works with Apple Home, Google Home, Alexa, & SmartThings.

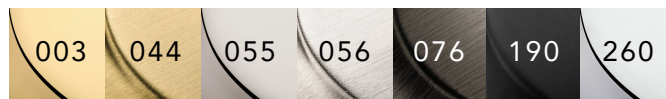

## BRASS BEAUTY

Premium craftsmanship, meant to pair with any Baldwin knob, lever, or gripset.
